Paid internship opportunity

Title: Intern
Type of Position: short term, August 2017 - December 2017, 20hrs/week
Supervisor: Chief of Party or designee
Location: SEEU Skopje, Macedonia

Background

South East European University is implementing the USAID and LCIF Children with Visual Impairments Project (CwVIP – more info about the Project at <http://cvip.seeu.edu.mk>). The Intern will support the timely and accurate implementation of activities. He/she will support the program in day to day activity management.

Roles & Responsibilities

CwVI Project operates as a team. Each team member is expected to support colleagues in duties outside of his/her scope of work, participate in program meetings, activities in various project components. CwVIP staff coordinate with all relevant partners and subgrantees (such as the City Red Cross of Skopje) to accomplish the workplan and project objectives.

The goal of the Intern is to provide a young professional, a university student, and/or recent graduate, with an up to 3 months long experience of working in a dynamic office managed by an USAID and LCIF implementing partner. This individual will be mentored on a daily basis by program specialists (Chief of Party, Project Coordinator, Promotion specialist, Office administrator) and will focus on the implementation of grant activities including monitoring and reporting duties. The Intern will contribute to the successful implementation of the project and will personally acquire new knowledge and skills through the performance of professional project related tasks.

The following responsibilities are not exhaustive and do not cover every task or duty that might be assigned to the Intern.

- Activity Design and Implementation
- Assist POs in day to day management and monitoring of activities
- Assist the CoP to prepare procurement documentation in support of program operations
- Assist in the preparation of activity documentation
- In collaboration with the POs, ensure accuracy of documentation, approvals, and expenditures
- Archiving project documents
- Database Management and Reporting
- Assist and support the program in compilation and production of required and ad-hoc reporting on program status and impact
- Scan all relevant documents, photos and approvals for each activity and send them to POs for upload to internal databases
- Assist and support in activity Completion and Close-Out, ensuring all relevant documentation is filed and that the database is fully updated and that grant folders have all required documentation

Operations:

- Provide general support to operations as requested
